

PDS EQUIPMENT

PDS EQUIPMENT is here to help anyone with any model MIMAKI UV Printer

In these strange times some may see the need to idle their MIMAKI UV print equipment and have concerns how to protect the print heads. All models and circumstances are different so please call our office 800-737-1734 and we will be happy to share proper advise. This of course is at NO charge. The busy will return hopefully soon and we would like to make you one of our PDS spoiled customers.
