

Plaque Phrase and Layout Guide

This guide provides guidance and sample language for wording and formatting some of the most common plaques in the industry. Organized by subject area, such as Achievement or Service, it features examples of text, font selections, and layout combinations for each category.

For additional phrase and layout ideas, members can explore the Member2Member Forum at www.PersonalizationPros.org. APA would like to thank member companies and contributors Willamette Valley Awards, Darlene Ingalls-Fisher, CRS, Adam Johnson, Bill Barkeley, and Paul Jensen for their contributions to this project.

We welcome submissions of additional plaque phrases and layout ideas for inclusion in next year's directory. Contact info@personalizationpros.org to learn more.
